

Dear Sir,

Over the last few years, the need to outsource has increased considerably for pharmaceutical companies and outsourcing is gradually moving from being just a tactical or opportunistic option to more of a strategic one to sustain the demands from markets that is fast moving into the generic phase.

We, Ankur Drugs & Pharma Limited, a professionally managed listed company on BSE & NSE (Indian Stock Markets) with a turnover of 250 million Dollars is leading contract manufacturing organisation.

Today, Ankur Drugs and Pharma Ltd manufactures for 7 out of top 10 Pharma companies. Our state-of-art plants across India meeting international regulatory standards, boasts our strength and technical know-how and poised strong foot hold in CRAMS services in Beta-Lactum, Cephalosporin, General category and most innovative NOVEL DRUG DELIVERY SYSTEMS in finished formulations.

We look forward to meet you at the CPHI India exhibition.

You can find us **HALL 2 – P 19**

Kindly e-mail us a positive acknowledgement so that we set up appointments and take it forward.
